**INTEGRATE**NEC  
REGISTRATION PROGRAM

## Welcome to the Integrate NEC Deal Registration program!

At NEC Display Solutions we know that to create a successful and rewarding experience for our partners we must strive to eliminate channel conflict. Deal registration is the first step to eliminating that conflict and to rewarding partner loyalty.

Thank you for registering your deal. We take your commitment seriously and look forward to providing you and your customer with the best possible sale, purchase, and utilization experience in the market.

Please take the time to use all of the NEC Display Solutions of America resources available to you to help you close your deal as fast as possible.

Integrate NEC offers a great profit opportunity for resellers:

- Easy to use Deal Registration Program
- Opportunities restricted to Authorized Partners
- No volume requirements
- No up-front training requirements
- One discount structure

If you would like more information on the Integrate NEC Program, please contact NEC Display Solutions at 1-866-771-0266.

# 2. Register Project

## PROJECT REGISTRATION

Projects must be registered for an end user, and rollouts are eligible. There is a 48-hour approval process on submissions.

NEC offers such a large scope of products; we can usually work with you to cover the entire bid request. This makes it easy for you to put together a winning bid with line items sourced from one supplier.

If you need additional help closing the deal, contact our Sales Teams at 1-866-771-0266. We can also supply you with marketing collateral.

Once your project registration request has been reviewed, you will receive an email with its status. You can update your project registration by choosing the "View Projects" link in the top navigation. Projects can be updated within 90 days on entry date

All fields are required except for those indicated.
